Add task

task name _____
 task due date _____
 task priority? _____
 task notes _____

priority

from 1-5

1 is high
priority

- Assessment type is a drop down list with final, midterm, quiz, assignment or other as options

Task priority is used to decide the order that tasks are displayed on the "all tasks" screen.

After clicking on "Add event" button from options

Add event	
Event name	<hr/>
Event day	<hr/>
Event time	<hr/>
Event notes	<div style="border: 1px solid black; height: 50px; width: 100%;"></div>

After clicking on "All classes" button from options.

options		All classes
class 1	<hr/> <small>date/time + location</small>	current mark
class 2	<hr/> <small>info</small>	mark
class 3	<hr/> <small>info</small>	mark

the class names are clickable

Specific class view

options		class 1	
assessments over	desired mark	current mark	back
clickable	- Date/time - location	- 90% mark	Edit
		- 93% mark

after clicking
on a class

Specific Assessment view

options		Assignment 2	
due date	<hr/>	back	Grade calc
	<hr/> <small>lowest possible mark</small>	Edit	Can tell you what marks you need on future assessment for the class if you get a certain mark on this current assignment.
	<hr/> <small>balanced mark *</small>		
	Grade calculator		

after clicking
on an assessment

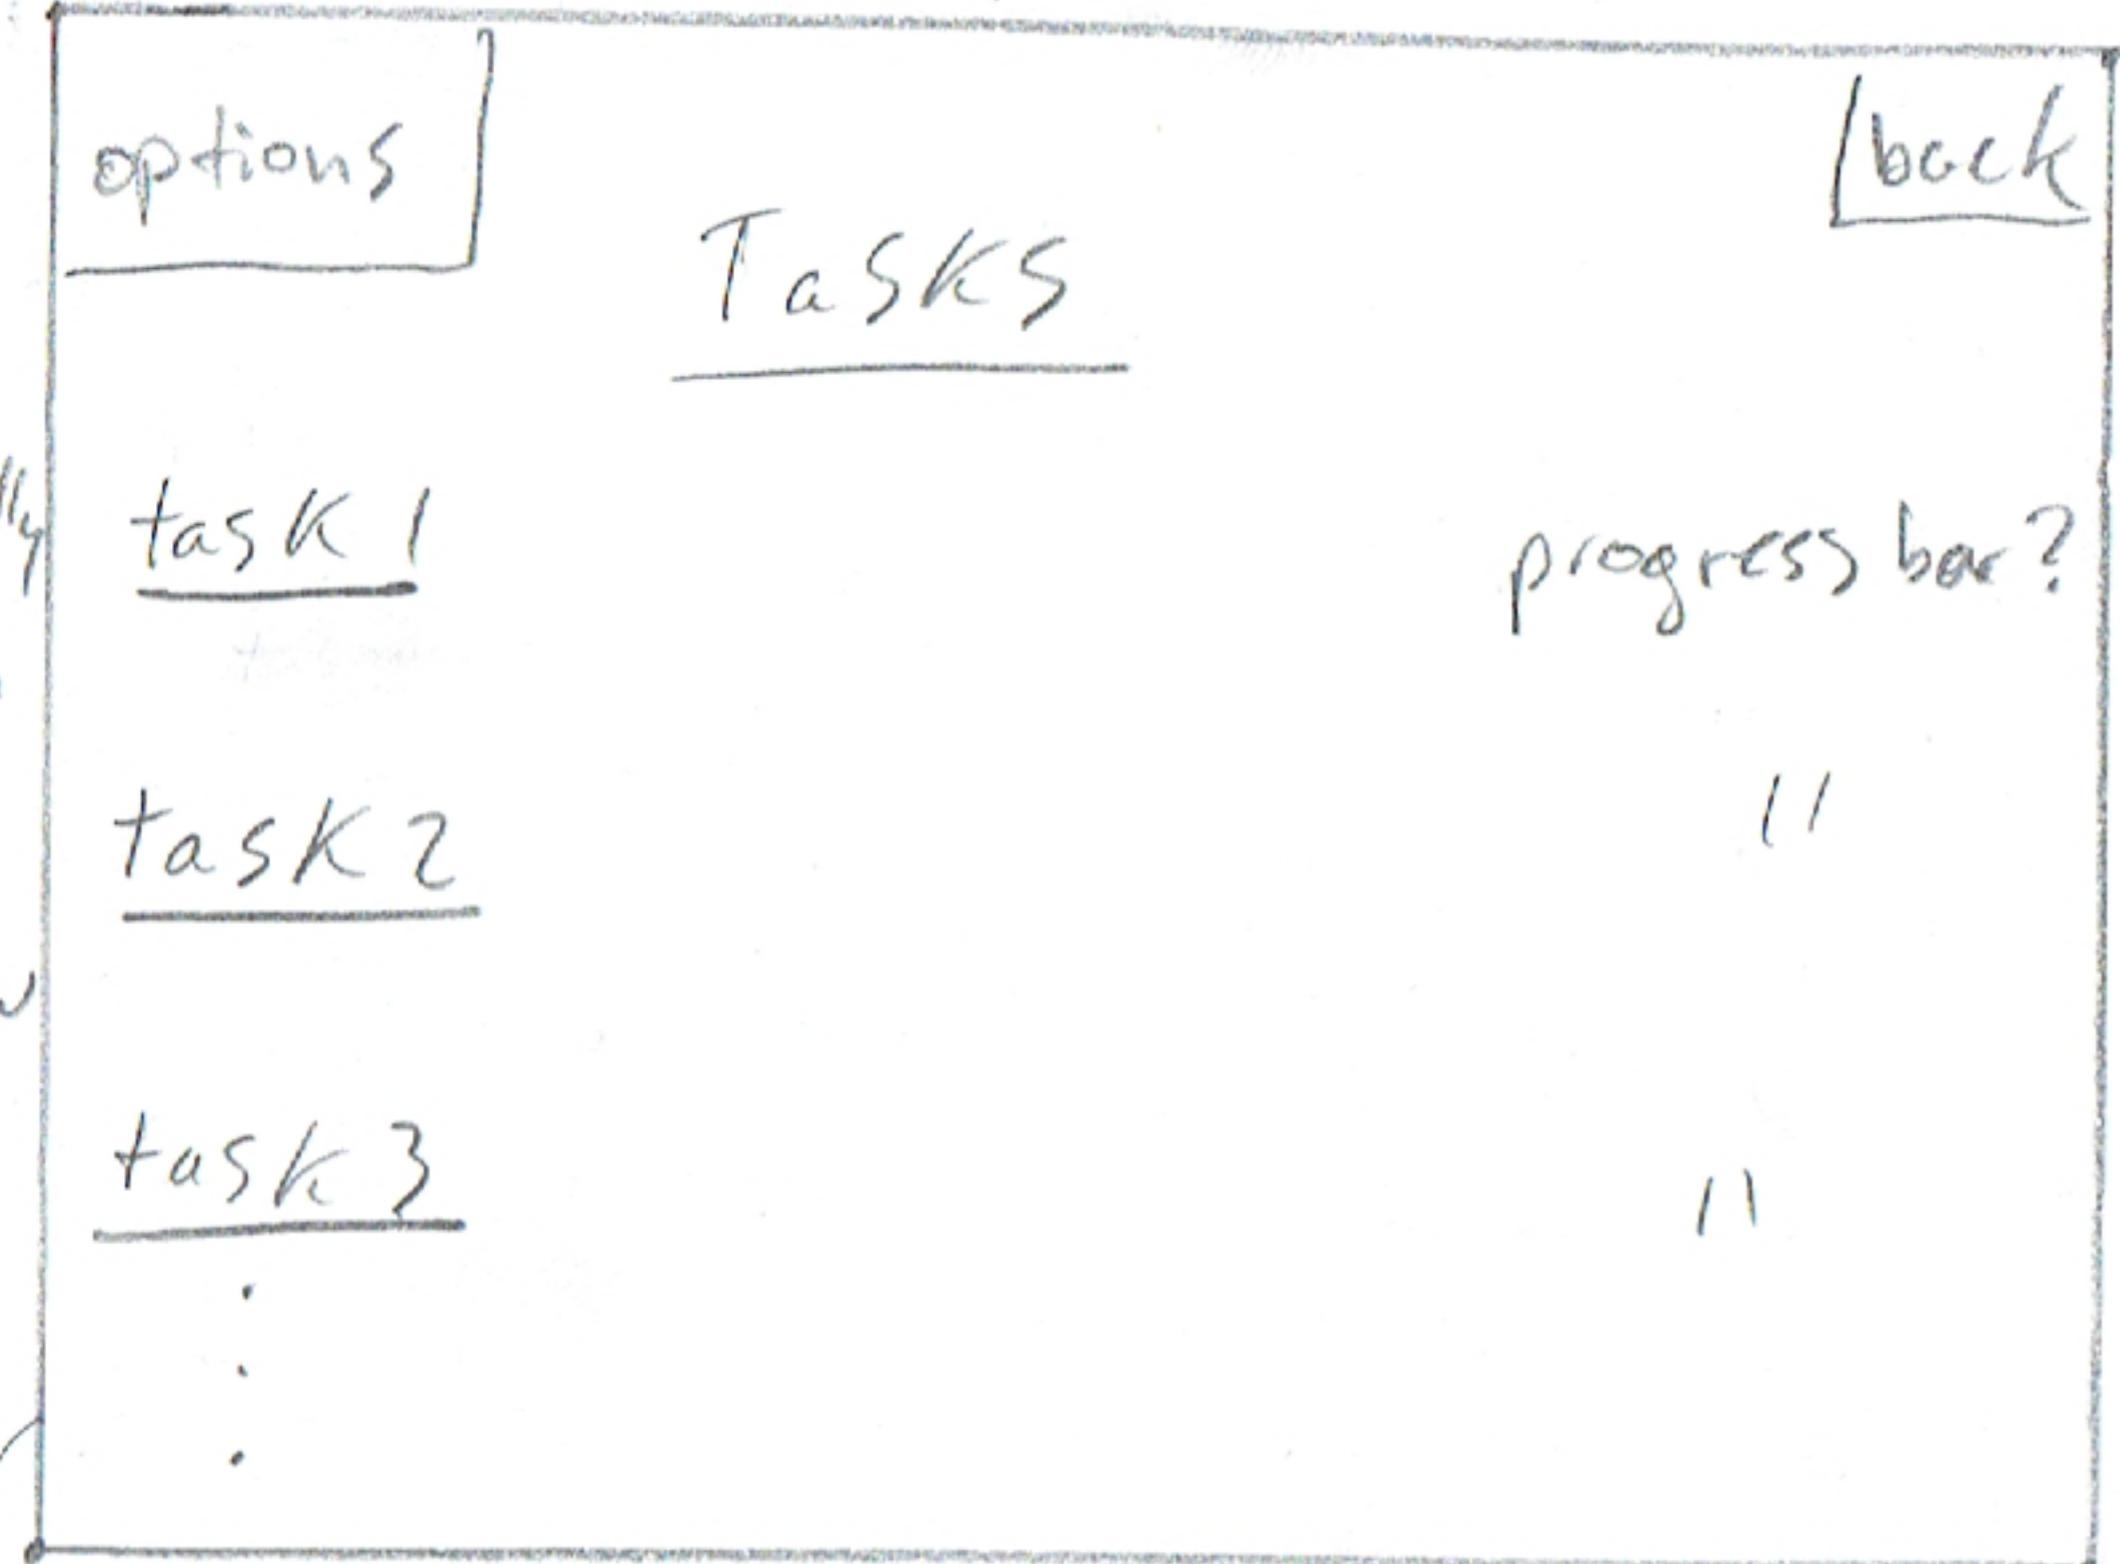

* - min mark is the lowest possible mark necessary to achieve the desired mark given weight and # of remaining assessments.

* - balanced mark gives a mark necessary so that future assessments don't need really high marks to achieve goal. Grade calc has knowledge of other assessments in class - just to test marks.

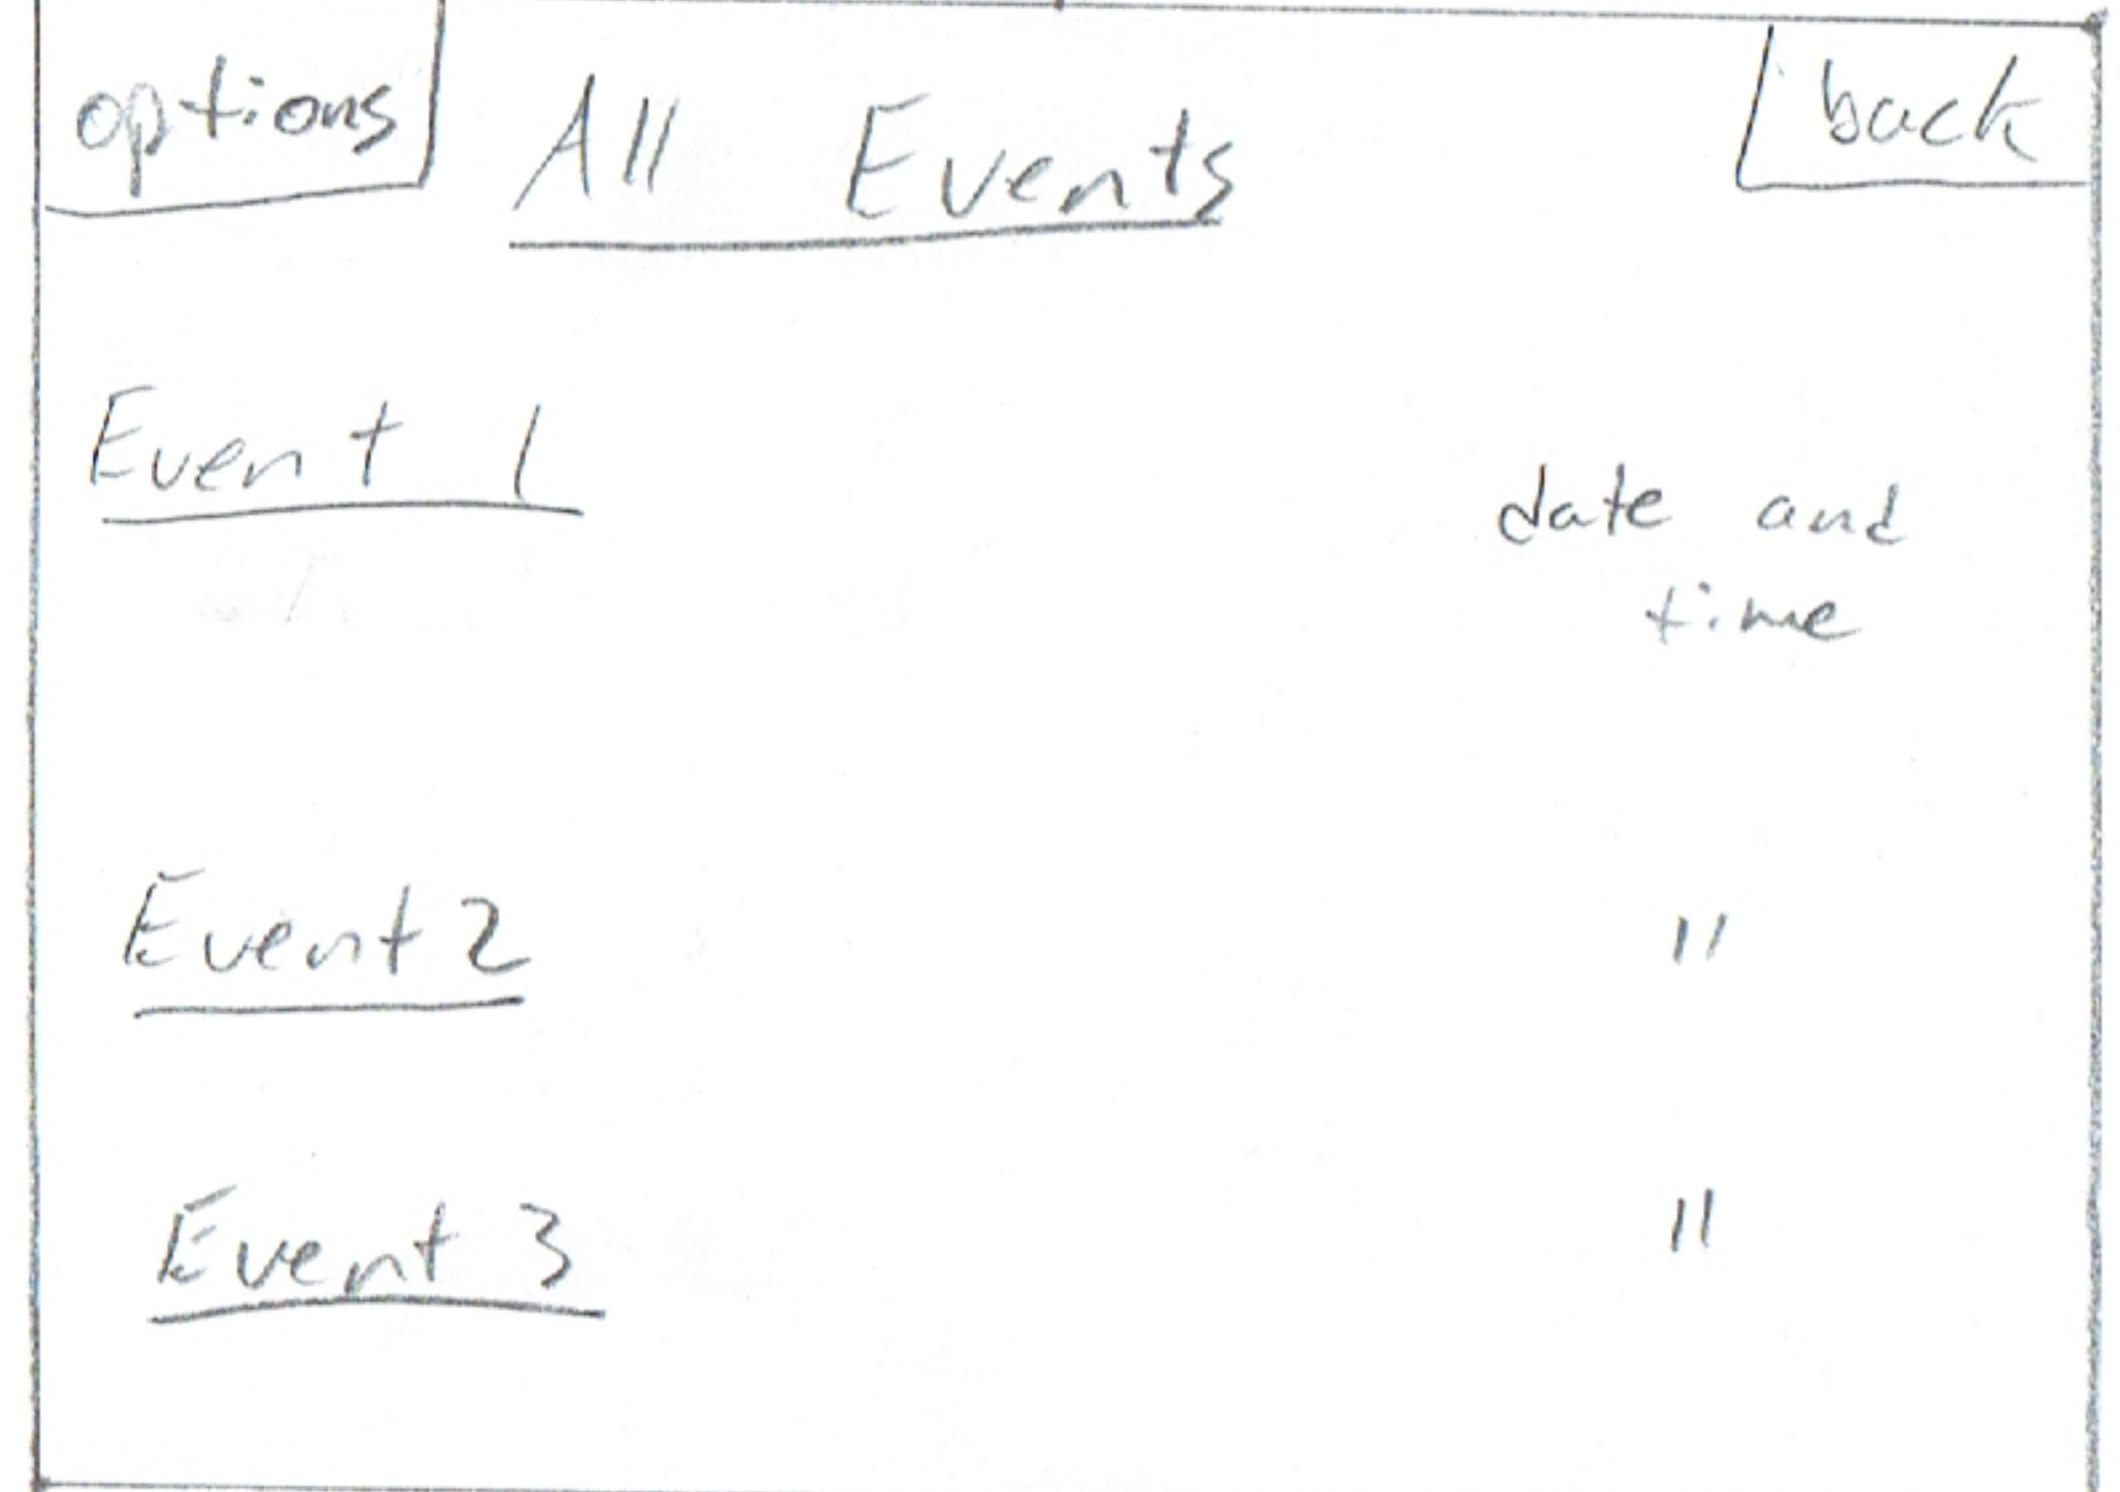

(3)

After clicking on the "All tasks" button from options

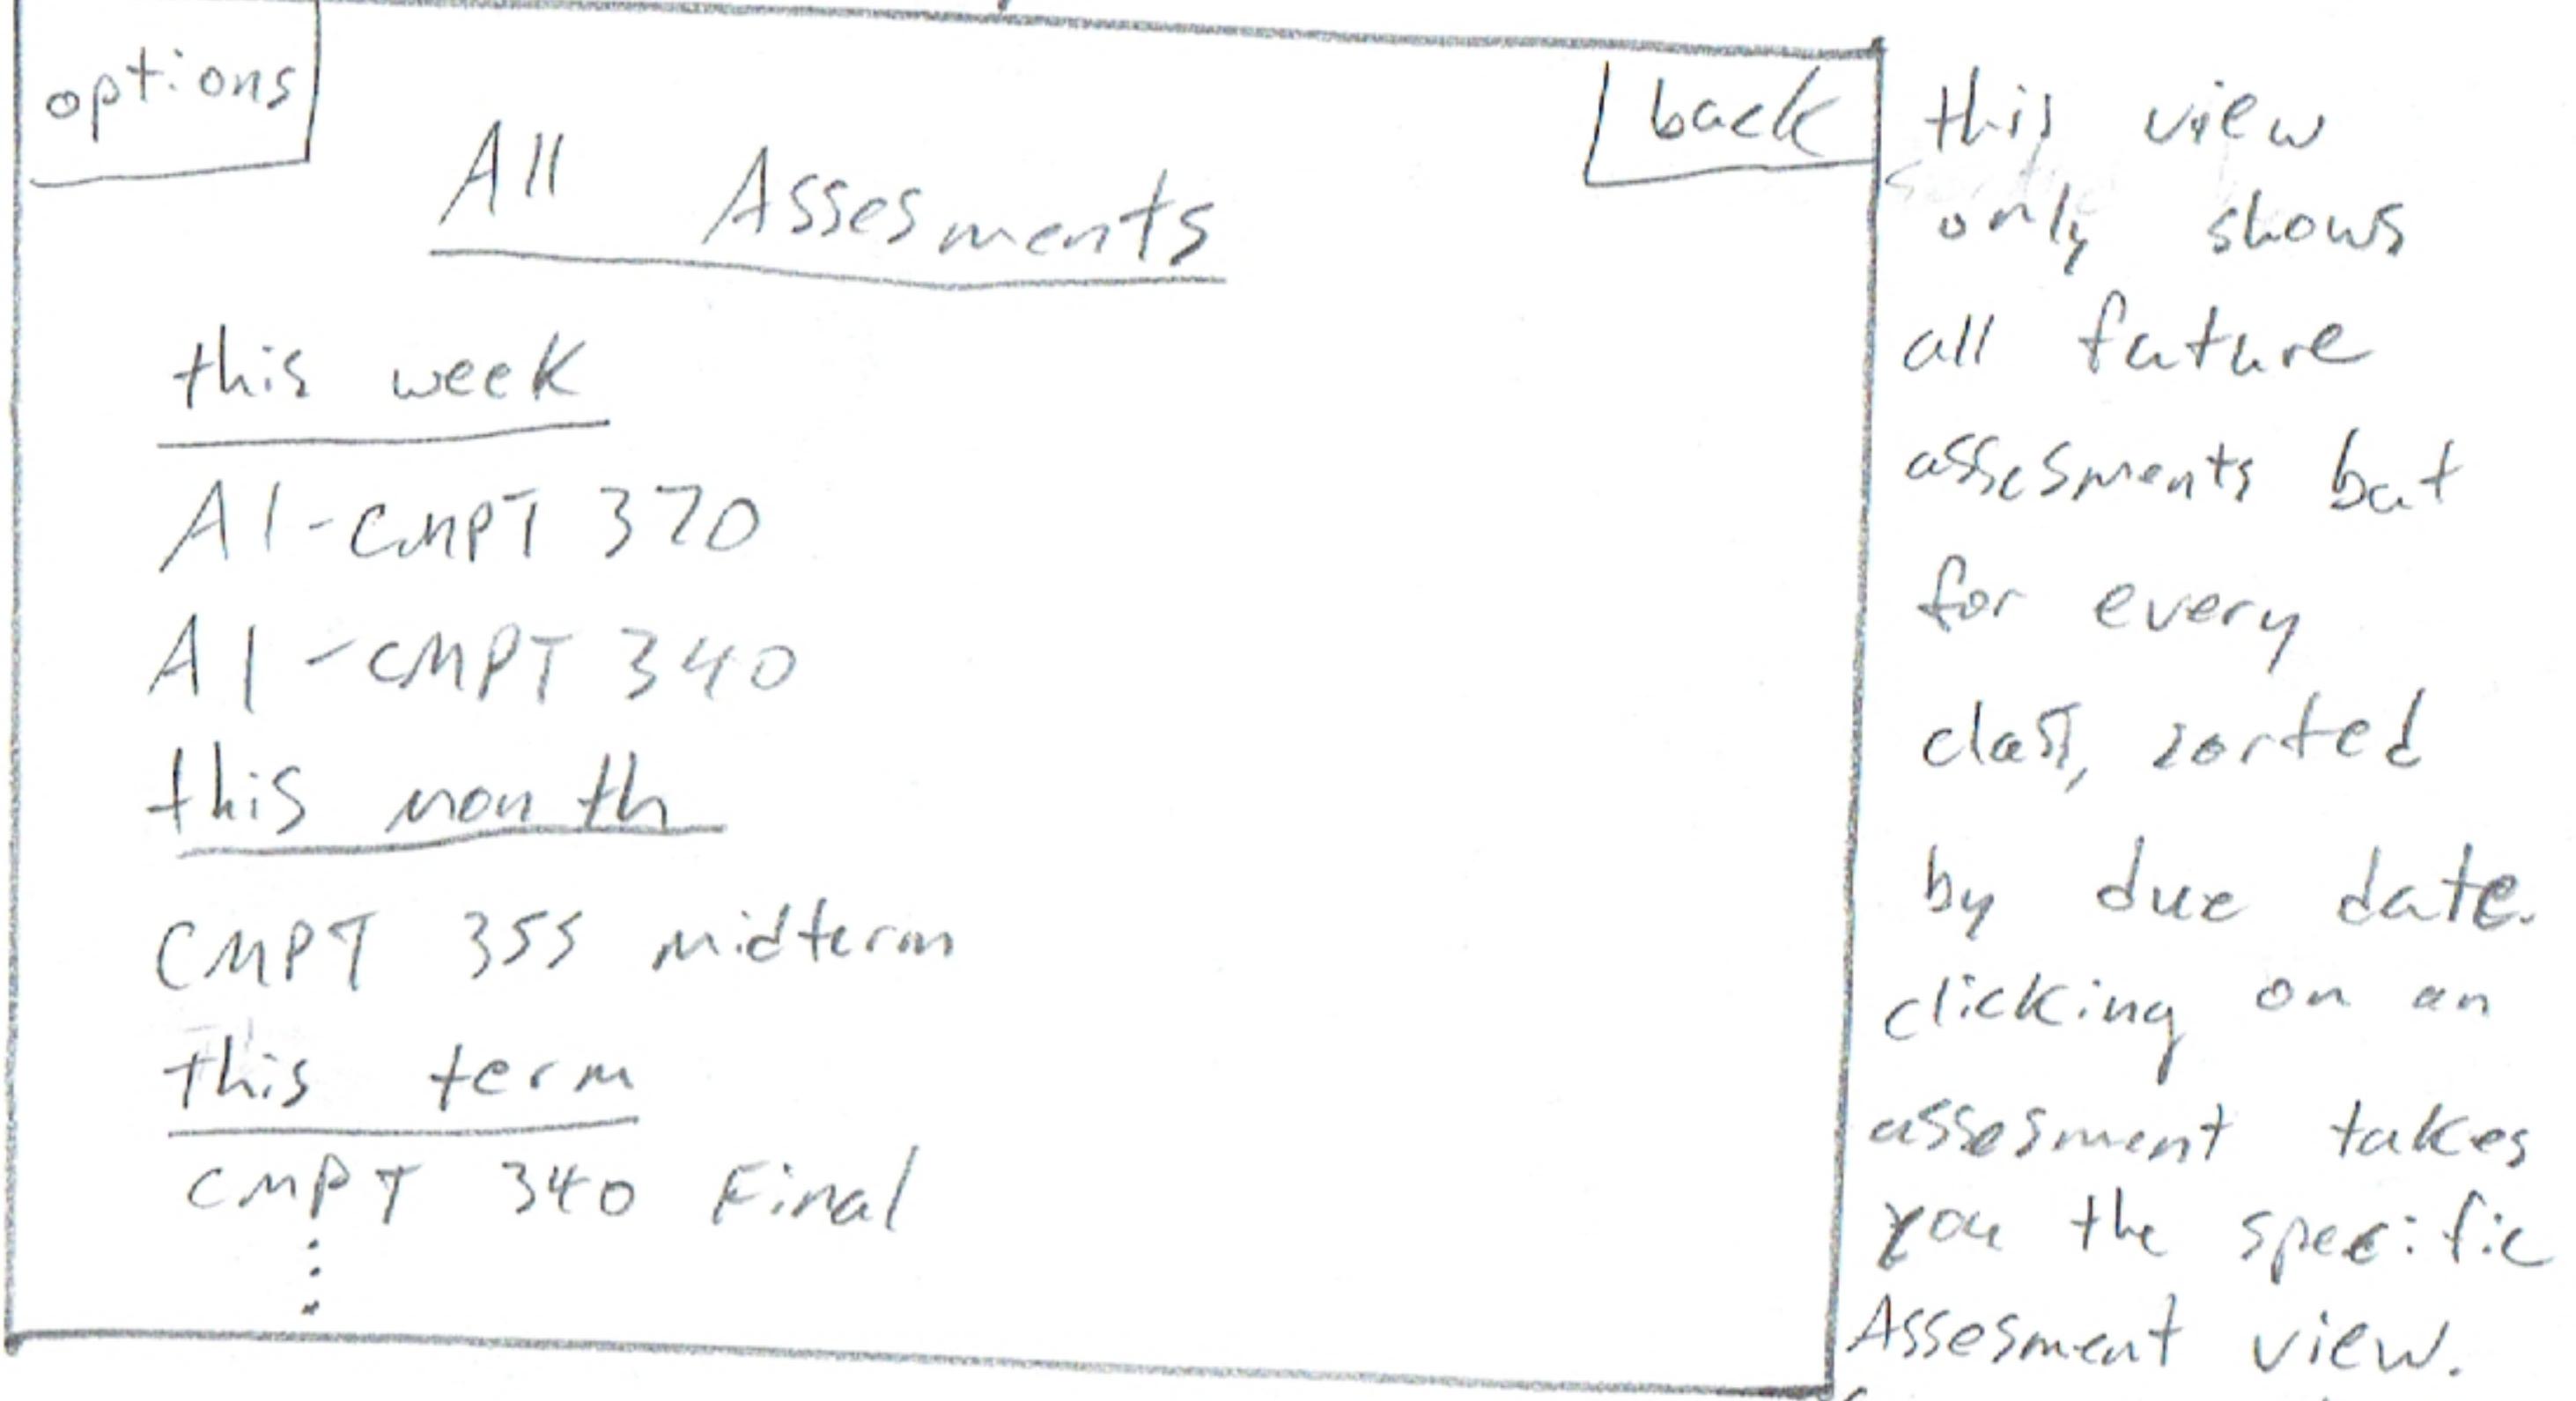

this is
essentially
the main
page
task view

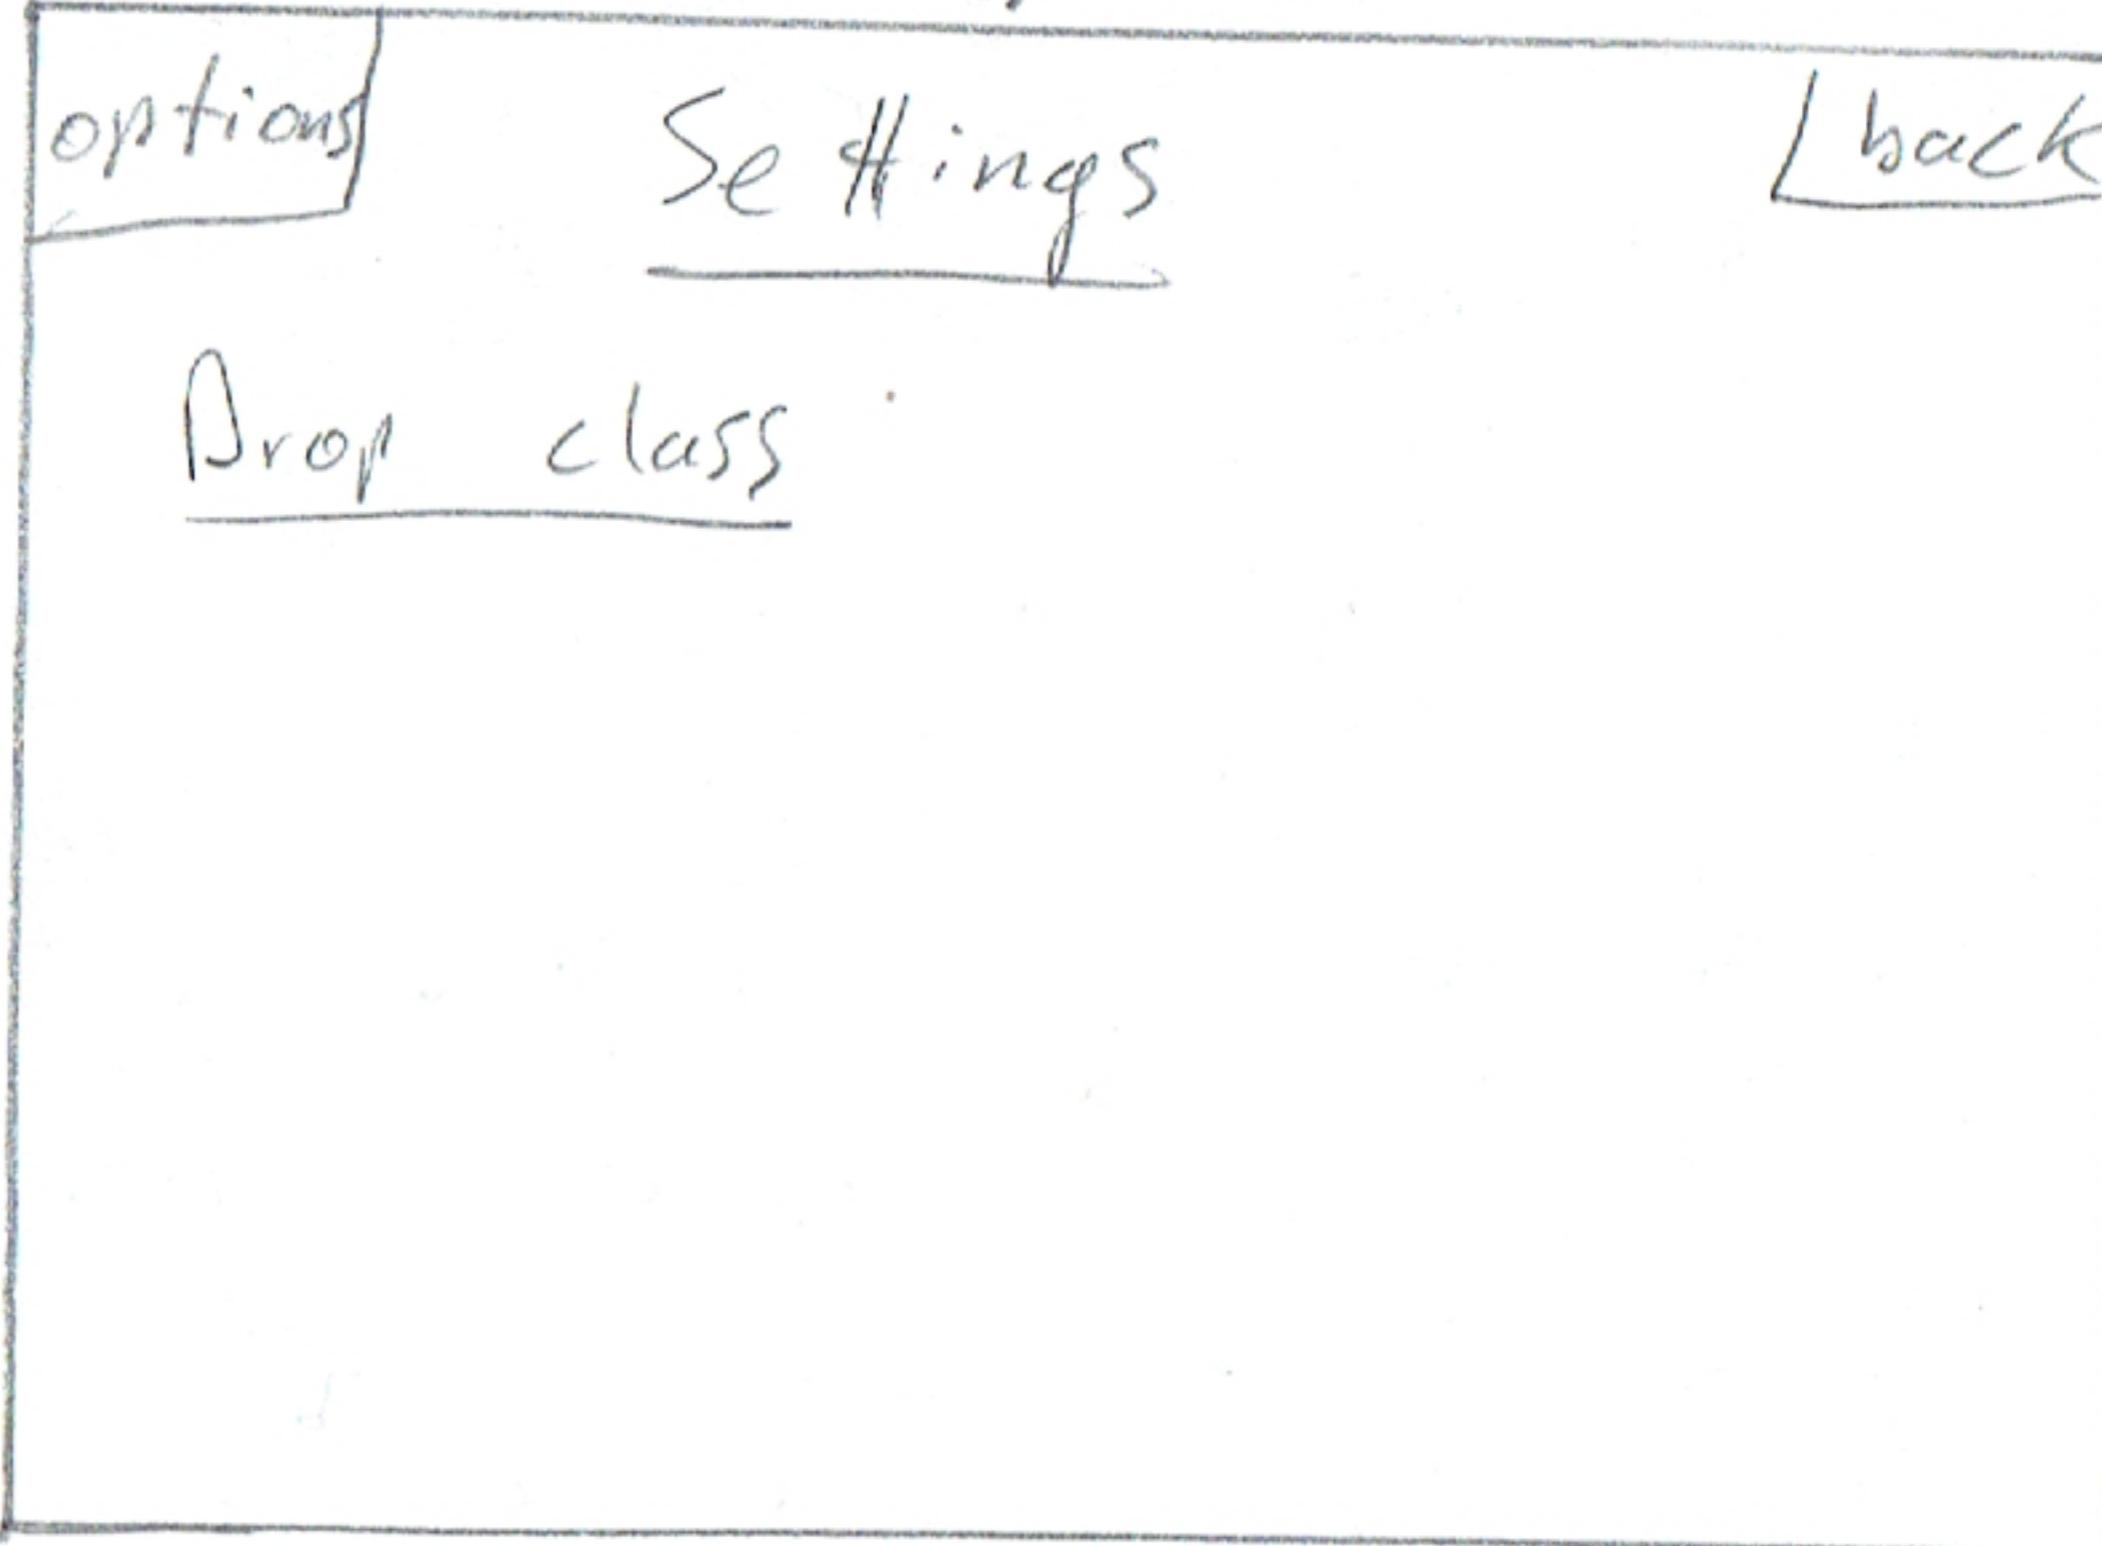

After clicking on the "all events" button from options

After clicking on the "all assessments" button from options

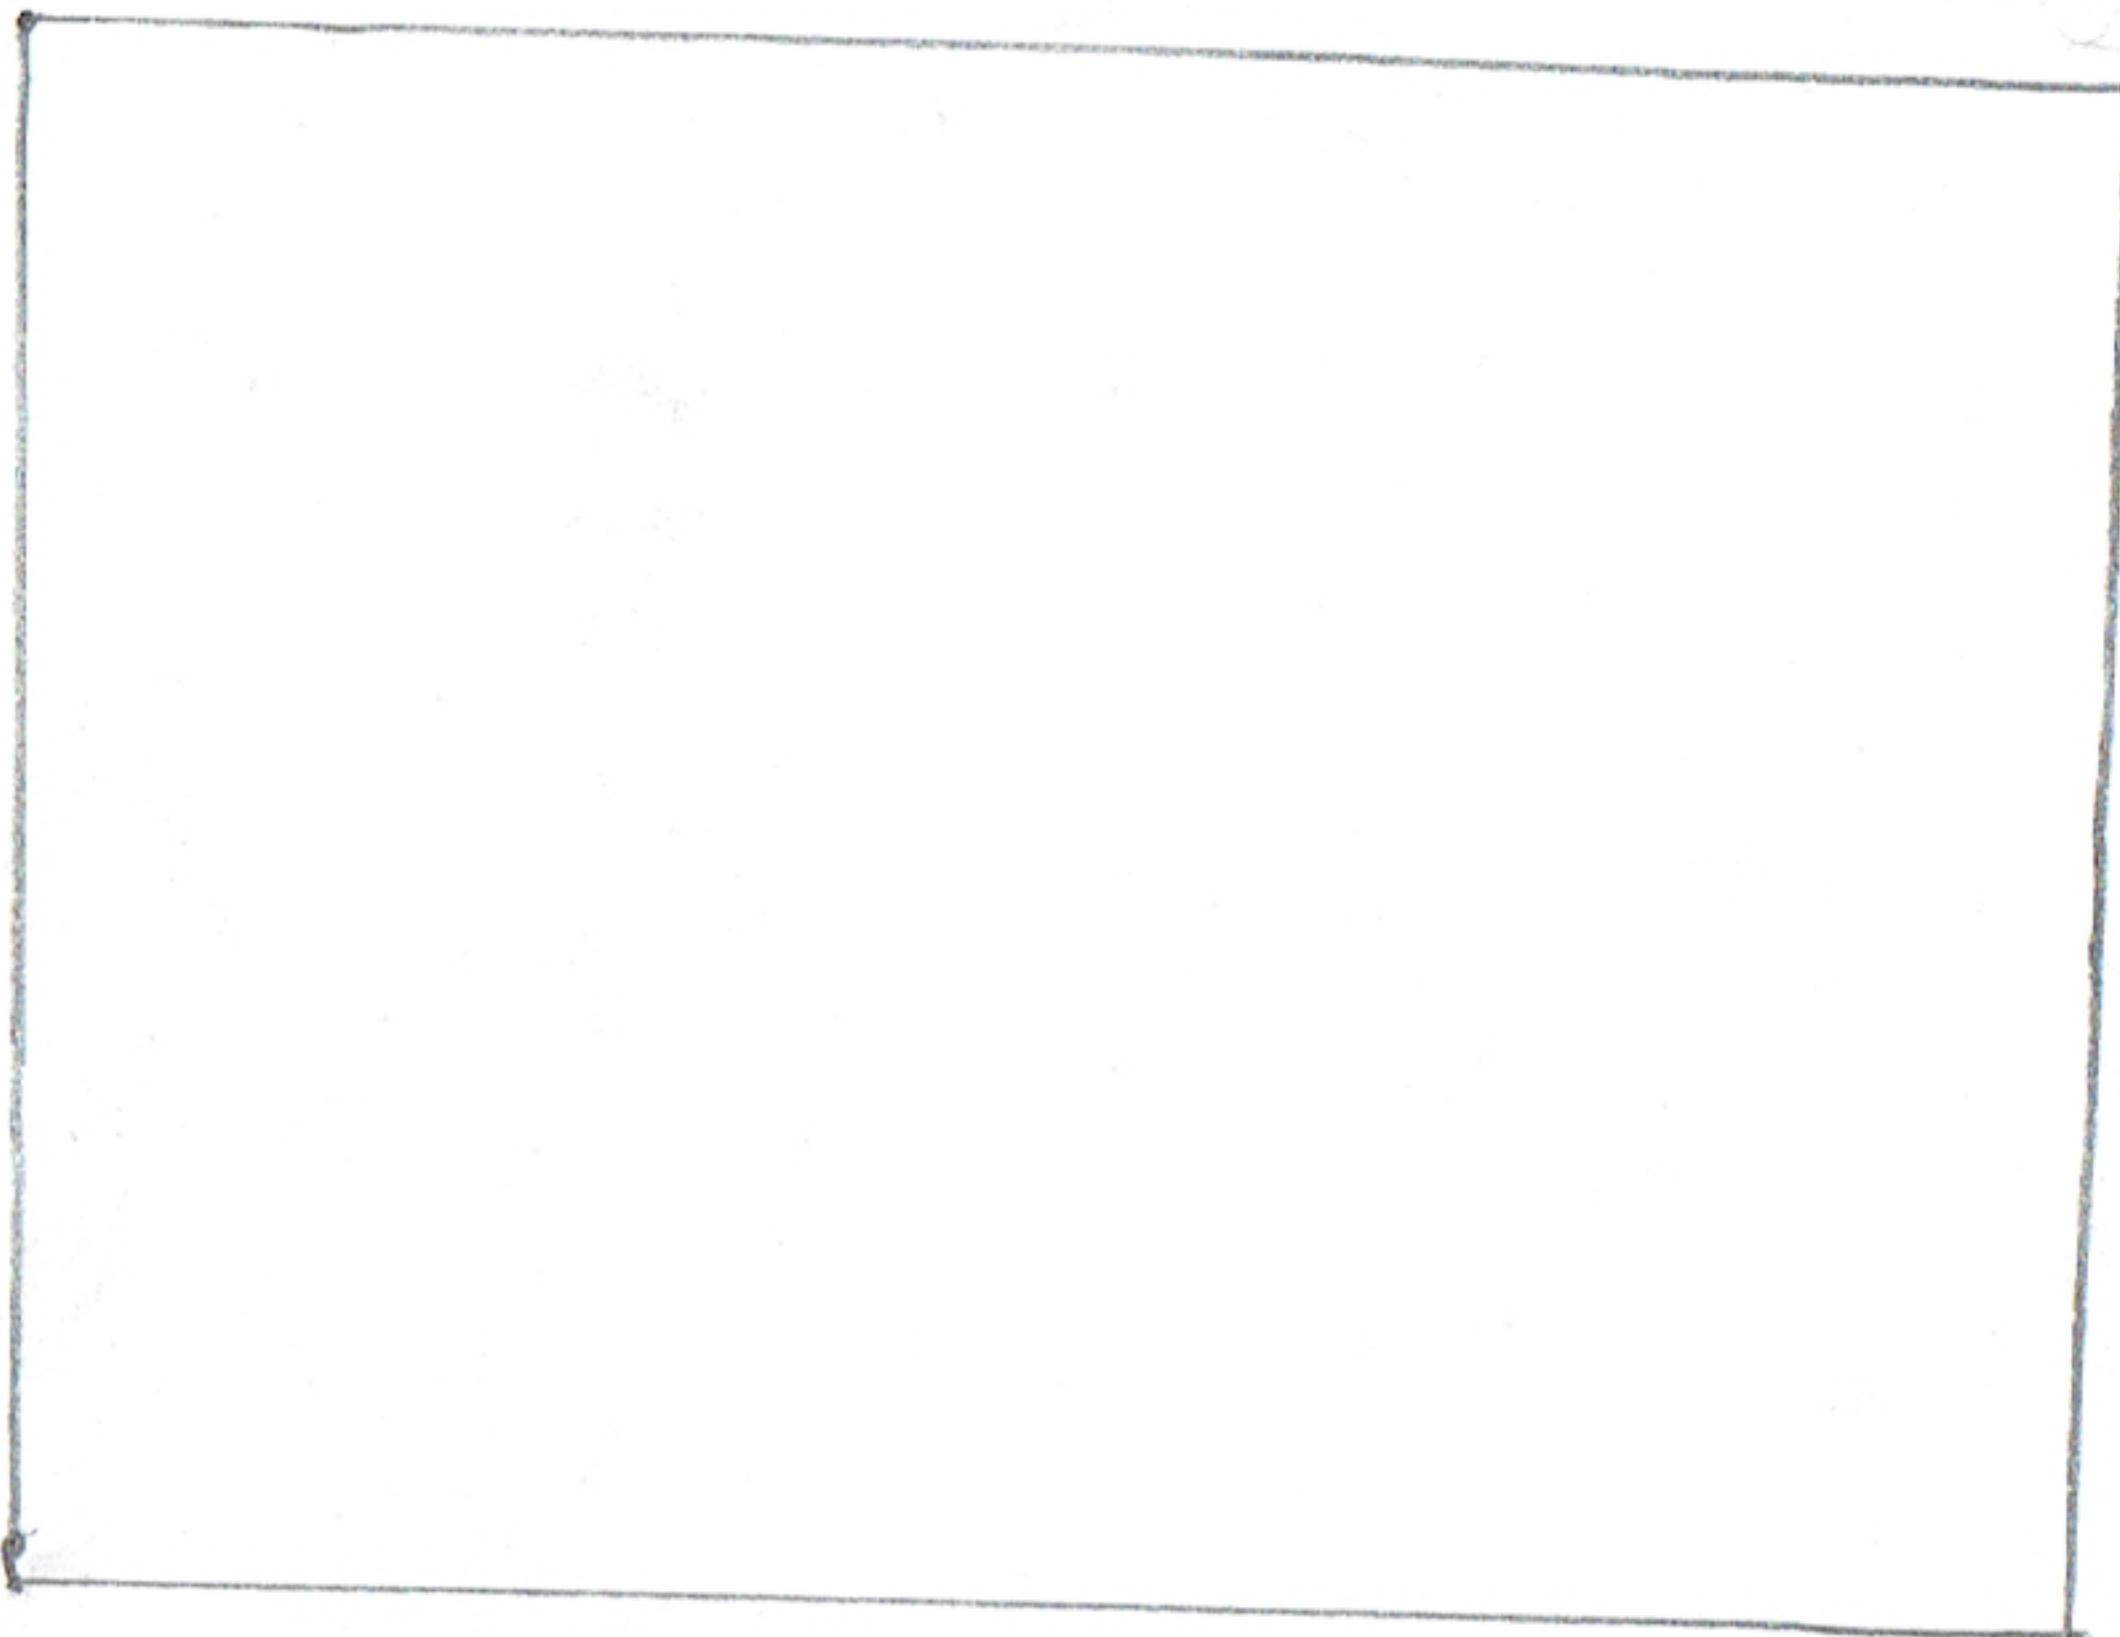

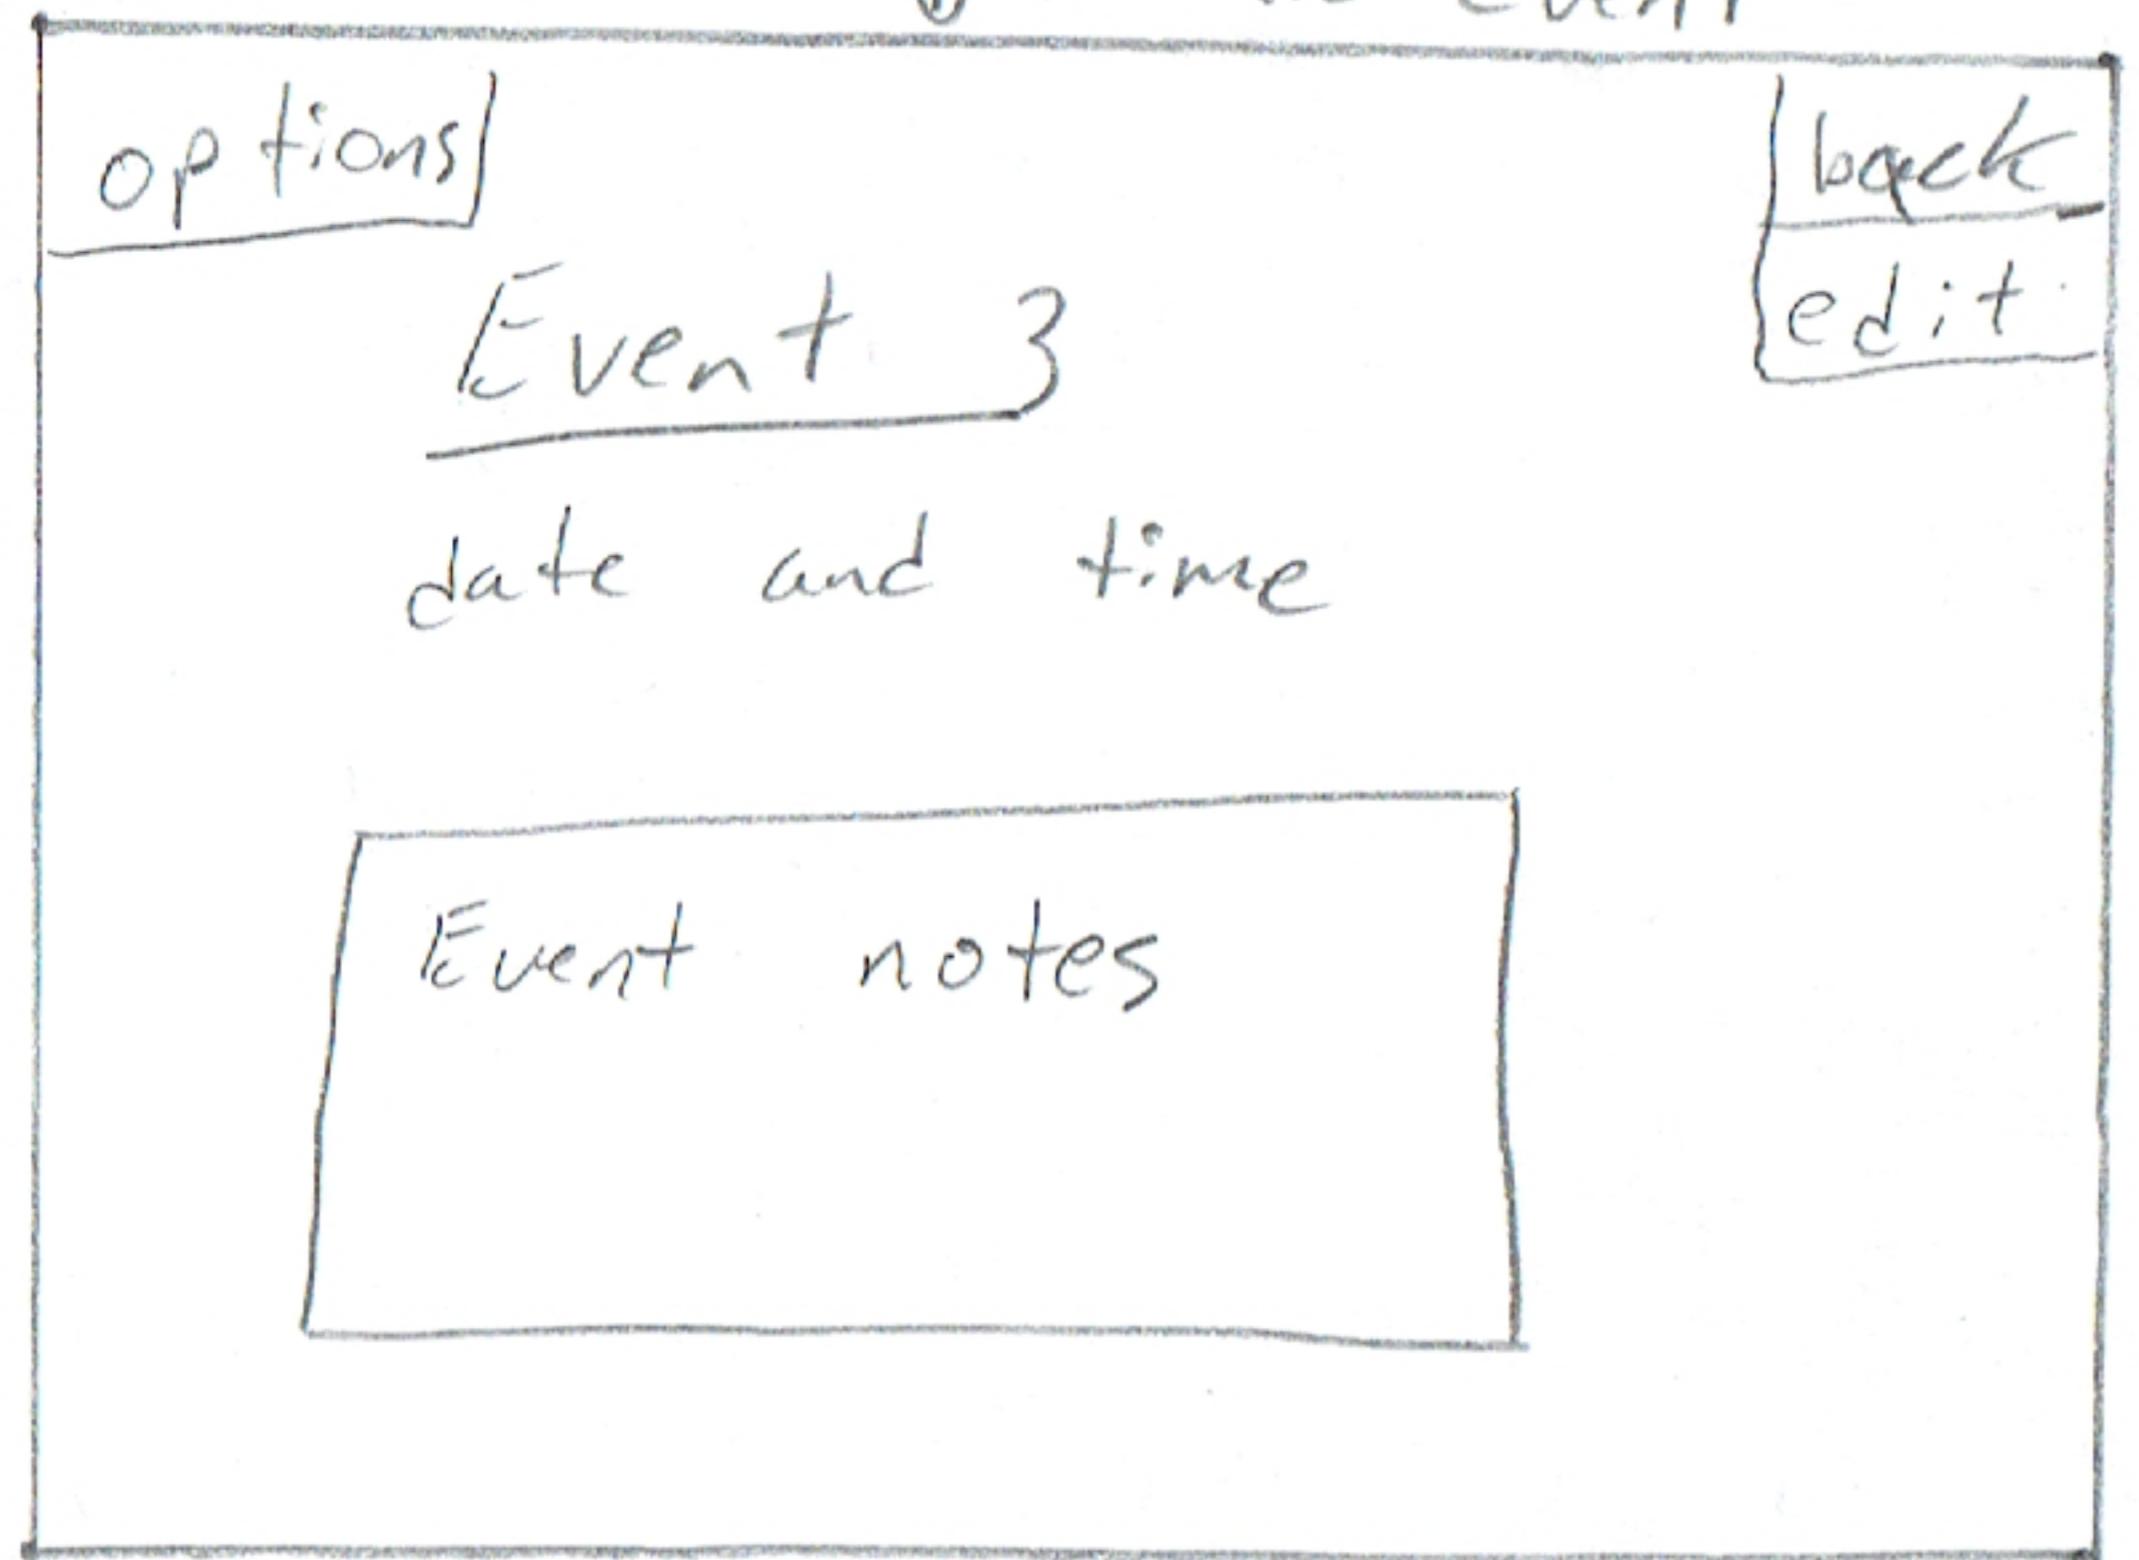

After clicking on the "settings" button from options

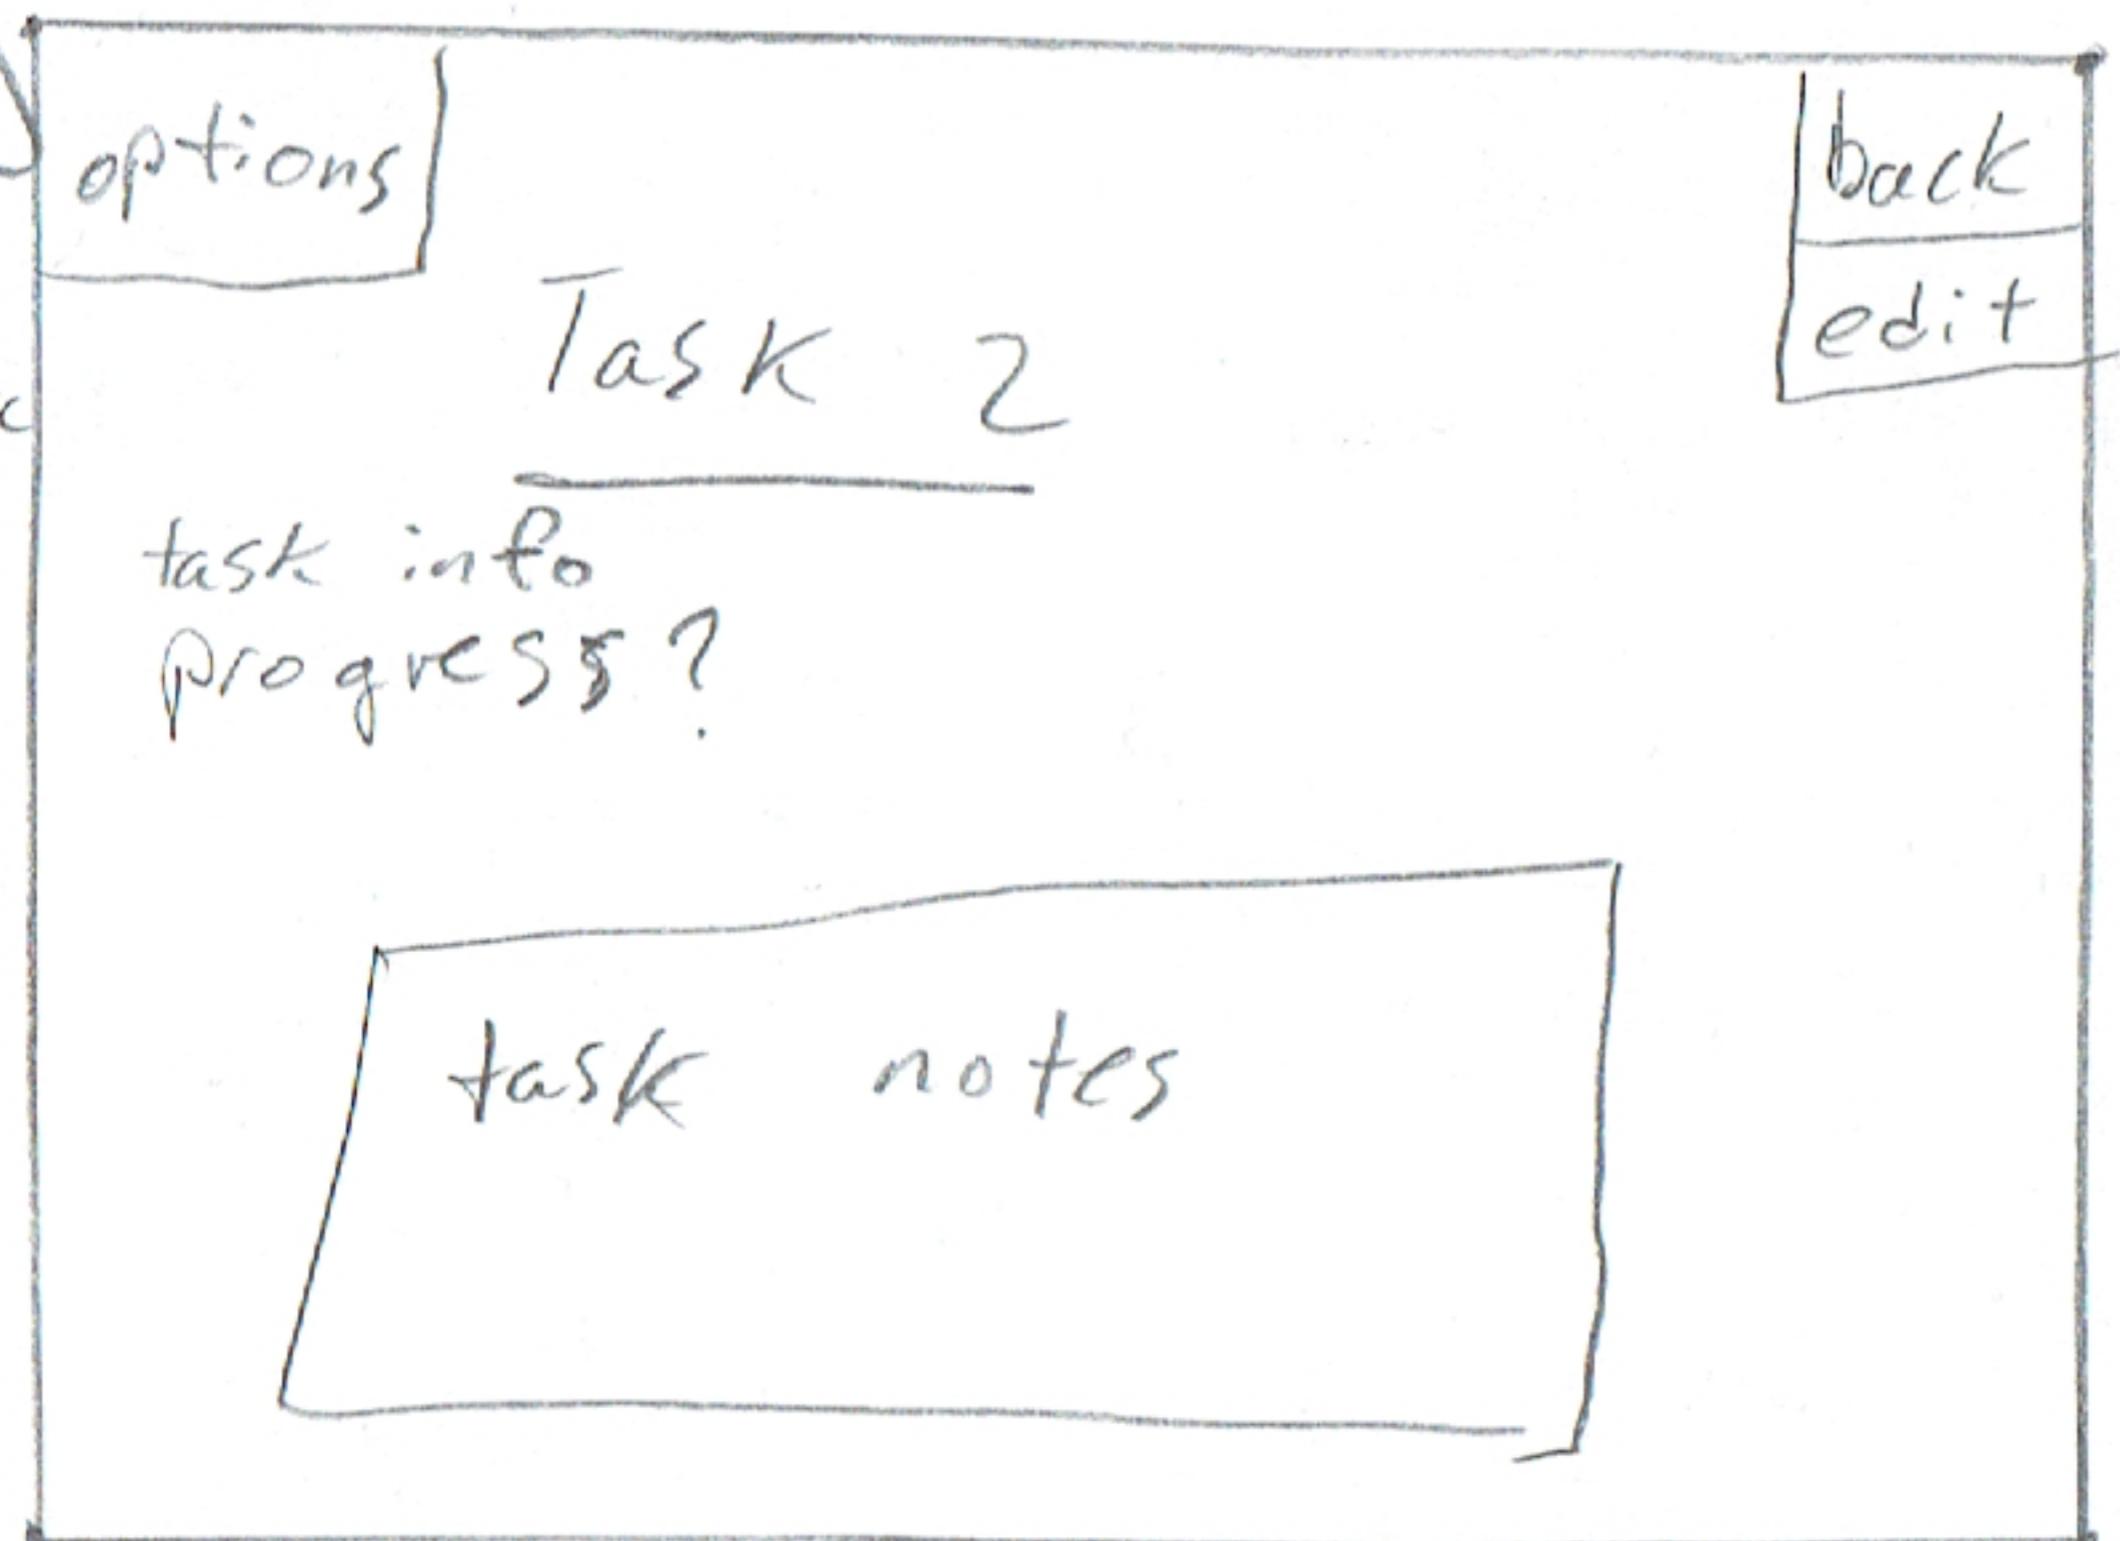

(5)

when you
click on a
specific event

when
you
click
on a
specific
task

- Clicking edit in any of the specific views takes you to a page essentially identical to the add screen of that task, event, assessment, or class. Perhaps with a different heading.
